CAPE COD COMMERCIAL
FISHERMEN'S
ALLIANCE

Small Boats. Big Ideas.

1566 Main Street, Chatham, MA 02633 | 508.945.2432

Highlights

For over 27 years the Fishermen's Alliance has been working to build a better future for the fish and fishermen of Cape Cod by:

- Safeguarding our ocean to ensure healthy fish populations
- Staying on top of regulations that affect fishermen's businesses every day
- Educating the public about our fisheries and sharing local catch with the community
- Providing affordable quota to Cape Cod fishermen
- Building local and U.S. domestic markets for the fish our fishermen catch
- Developing programs to recruit and train the next generation of fishermen

Membership gives industry members access to our knowledgeable staff who are available to discuss concerns or refer members to other resources. It allows active and retired fishermen to be heard and be part of the decision making process, to participate in scientific research initiatives, and to give feedback on policy positions and campaign strategies.
